

ORONO

COMMUNITY EDUCATION

Summer 2025

EARLY LEARNING • YOUTH • ADULT

REGISTRATION OPENS MARCH 11
oronocommunityed.com | 952-449-8350

WELCOME

Welcome to the Orono Community Education SUMMER PROGRAM!

Our program uses a unique combination of talented educators from within the Orono Schools and from neighboring school districts as well as partnerships with several local and national education businesses. The goal is to provide programs that keep students and community members active in both mind and body throughout the summer. We encourage you to spend your summer developing a healthy lifestyle, academic strengths, positive social skills and character. Whether you participate in your favorite activity or learn something new - we hope you HAVE FUN!

Office Location & Summer Hours

Monday - Thursday 8:30 AM - 4:30 PM
Friday 8:30 AM - 4 PM

Our summer program office is in the Education Link. Enter door E24.

The majority of our summer programs will take place in the Schumann Elementary/Intermediate School complex. Room numbers that are not listed with the class description will be included on the class reminder you receive via email a few days before the start date. Our staff is available to guide students to the appropriate classroom when they arrive for the day.

SUMMER FUN

At Home on My Own
Prepare yourself to stay home on your own safely and responsibly. We'll discuss about fire, safety procedures, what to do during power outages, and how to handle other emergencies. We will review phone skills, explore fun snack ideas, and receive hands-on training through fun games and activities.
Instructor: Jennifer Carson

Spartan Day Camp
Looking for fun, adventure, and how with friends? Engage in outdoor games, gym, and pool time. Play giant yard games, go on a scavenger hunt, and participate in fun activities. There will be daily and weekly prizes and special activities. Join us for a fun-filled summer week. Field course advised.
#2010 | Grades 4-6
Monday - Thursday | August 8 - 12
4 sessions | 9:00 AM - 1:00 PM
Orono Intermediate School

Sweet Treats
Explore the world of baking from scratch while creating delicious treats. Along the way, baking is fun, hands-on activity and child learns the fundamentals of baking and how to be creative and flexible in the kitchen. On the last day of class, we will create original creations. Get ready for delicious fun!
Instructor: Jennifer Carson

Top Chef Cakes
Students learn baking skills and learn how to create delicious cakes. Along the way, baking is fun, hands-on activity and child learns the fundamentals of baking and how to be creative and flexible in the kitchen. On the last day of class, we will create original creations. Get ready for delicious fun!
Instructor: Jennifer Carson

State Fair Foods
Why don't we take our food to the state fair? We'll create healthy, delicious foods on a stick and fun fair foods from scratch while learning how to create, make, and taste. We'll also learn how to be creative and flexible in the kitchen. On the last day of class, we will create original creations. Get ready for delicious fun!
Instructor: Jennifer Carson

Class Locations
Classroom locations will be included on the class roster you receive via email a couple of days before the first day of class.

Bus Transportation is available June 16 - August 7.

Camps that have bus transportation available both to and from are indicated with a dot in the "bus" column on the online Camp Calendars. Routes are limited. See page 5 for bus registration details.

Lunch Bunch

is available to students registered for both morning and afternoon camps. Bring a lunch and our staff will supervise students and help them get to their afternoon camp. See page 5 for details.

Ages & Grades

Register for camps and classes that correspond with the **student grade in the 2024-25 school year**.

Class Confirmation

To receive confirmation of your class enrollment, **MAKE SURE YOU INCLUDE YOUR EMAIL ADDRESS!** Otherwise, no news is good news! The only time you will hear from us aside from the email confirmation and class reminder is:

- If there is a change in class time, day or building location
- If the class is cancelled
- If a class requires additional information.

Registration Information

Detailed information regarding registration including financial assistance, payment plans and refund policies can be found on page 55.

Health Concerns or Special Needs

Please indicate any special learning, emotional, or health needs at the time of registration so our staff can assist your child in having a successful experience in our program. Community Education does not have access to school district records for this information.

Food Allergies

Some classes may include projects or activities using food. If your child has a food allergy, please indicate this and any requested accommodations at the time of registration.

Payment Plans

A payment plan of three installments is available to all who register by credit card. First payment is due at the time of registration, second payment is due June 15, and the final payment is due July 15. Call the Community Education Office at 952-449-8350 if you would like to request other payment arrangements.

Snacks & Lunches

We recommend you send a snack and a water bottle with your student.

If your child has a full day program or is scheduled to attend both a morning and afternoon program, you will need to send a lunch. (See Lunch Bunch on page 5.)

For information regarding food resources and support, contact:
genna.torney@orono.k12.mn.us

Participant Accommodations

Orono Community Education works to help each student be successful in our programs. We will do whatever we can to provide reasonable accommodations for students within the general nature of each activity. Some programs or settings may not be an appropriate match for a student's needs. If you have concerns about participation or would like to request support for your student, please contact us at 952-449-8350.

ABOUT OUR PROGRAM

Bus Transportation

We have a limited-stop activity bus providing transportation to and from the Orono School's main campus.

- Bus transportation is available Monday - Thursday, June 16 - August 7. NO programs June 19.
- Available from designated stops to the main campus for programs beginning at 9 AM.
- Available from the main campus back to designated stops for programs ending at 12 PM and 4 PM.
- Students who are registered for the Summer Playground Program (Rainbow or Holbrook Park) may ride the bus for free from the main campus.
- **DEADLINE TO REGISTER FOR BUS TRANSPORTATION: MAY 19.**
- Exact bus routes and times will be sent the week of June 9 to those who are registered.

Designated Bus Stops

Students should be picked up by guardians or be able to walk home from these designated stops. Designated locations subject to change.

Long Lake

Morningside Rd. @ Bobolink
Lakeview Ave. @ Central Ave.
Holbrook Park
Hardin Park
Watertown Rd. @ Westwood Dr.
Watertown Rd. @ Brown Rd.
Mill St. & Symes St.

Maple Plain

Discovery Center
Manchester Dr.
Rainbow Park
Clayton Dr. @ Joyce St.
Bryantwood Drive
Cty. Rd. 19 @ Maple St.

Bus Schedule

- #S5002 June 16 - 18* | *No bus June 19*
- #S5003 June 23 - 26
- #S5004 June 30 - July 3
- #S5005 July 7 - 10
- #S5006 July 14 - 17
- #S5007 July 21 - 24
- #S5008 July 28 - 31
- #S5009 August 4 - 7

Bus Fees

Individual Rate:

4 day: \$29/week *3 day: \$22/week

Family Rate:

4 day: \$41/week *3 day: \$31/week

Fee assistance is available.

Lunch Bunch

Grades K - 8 | Monday - Thursday | 12 - 1 PM

If your child is registered for both a morning and an afternoon camp, they must be supervised from 12 - 1 PM between camps. Sign up for Lunch Bunch and send a bag lunch. Our staff will supervise students and then help them get to their afternoon activity. **Note:** This option only works between morning camps that end at 12 PM and afternoon camps that begin at 1 PM on the school's main campus, otherwise you must make an alternate plan for supervision of your child between camps.

Orono Intermediate School | Cafeteria

SCIENCE & NATURE

Bubbles & Slime

POP! Get ready for a world of bubbly, gooey excitement! Young scientists will explore the magic of bubbles and the fun of slime. It's all about playing and learning about the chemistry behind these messy and fun concoctions.

Instructor: Kidcreate Studio

#S102 | Ages 4 - 9

Monday - Thursday | June 9 - 12

4 sessions - \$206 | 9 AM - 12 PM

Orono Intermediate School

Bugs & Blooms

Spend the week exploring the fascinating world of flowers and bugs! We'll learn about bugs' favorite foods and homes, and discover how they help plants grow. It's a week full of nature, exploration, and plenty of summer fun!

Instructor: Shelby Bjerkas

#S513 | Grades K - 2

Monday - Thursday | July 7 - 10

4 sessions - \$115 | 9 AM - 12 PM

Orono Intermediate School

Camp Fancy

Fancy is for everyone! Experience fancy STEM activities, such as glamping indoors, glowing wands, fancy slime, and more in this fun and fancy camp. On the last day, we'll have a pajama party and enjoy some fancy s'mores!

Instructor: Engineering for Kids

#S404 | Grades K - 3

Monday - Thursday | June 30 - July 3

4 sessions - \$215 | 9 AM - 12 PM

Orono Intermediate School

#S804 | Grades K - 3

Monday - Thursday | July 28 - 31

4 sessions - \$215 | 9 AM - 12 PM

Orono Intermediate School

Candy Lab

Explore science through sweet experiments! From candy chemistry to edible art, every activity uses candy to teach cool concepts. Mix, melt, and marvel at how sweets can be delicious and educational!

Instructor: Kidcreate Studio

#S232 | Ages 4 - 9

Monday - Wednesday | June 16 - 18

3 sessions - \$172 | 1 - 4 PM

Orono Intermediate School

Candy Lab: Sweet Science & Delicious Discoveries

Create sweet memories this summer in this STEAM camp! It's time to have delicious fun as you discover the science behind your favorite sweets. Mix up awesome experiments and design packaging for your creations. Make tasty gummy bears, mix up yummy edible slime, and so much more!

Instructor: TechTacToe

#S206 | Grades K - 3

Monday - Wednesday | June 16 - 18

3 sessions - \$169 | 9 AM - 12 PM

Orono Intermediate School

Curious Critters

Is that a mammal, bird, or fish? Join this factual, fictional, and fun exploration of the world of animals such as fruit bats, sea turtles, and a curious creature that has teeth in its throat. Learn about many amazing animals. Bring your stuffed animals to hang out with and explore the world of animals and literacy!

Instructor: Josette Repke

#S512 | Grades K - 2

Monday - Thursday | July 7 - 10

4 sessions - \$115 | 9 AM - 12 PM

Orono Intermediate School

Digging for Dinos

Paleontologists have just uncovered a million year old dig site that is full of fossils, including dinosaur bones, imprints, eggs, and more! Your help is needed to excavate these fossils and move them to museums for kids all over the world.

Instructor: Engineering for Kids

#S204 | Grades K - 3

Monday - Wednesday | June 16 - 18

3 sessions - \$160 | 9 AM - 12 PM

Orono Intermediate School

Extreme Chemistry: Mystery Challenges

Are you ready to get messy with some extreme chemistry experiments? Step into the science lab to solve our mystery challenges. Investigate polymers, density, chemical indicators, and more to help solve the mysteries. This class is hands-on, so be sure to dress for a mess!

Instructor: Science Explorers

#S831 | Grades 2 - 6

Monday - Thursday | July 28 - 31

4 sessions - \$160 | 1 - 4 PM

Orono Intermediate School

Foam, Slime & Potions

Step into a world of captivating experiments and mind-blowing discoveries! Concoct elixirs that magically change color, create your own bouncy balls, and whip up some homemade candy that fizzes in your mouth. Transform learning into a bubbling cauldron of pure excitement!

Instructor: Kidcreate Studio

#S903 | Ages 5 - 12

Monday - Thursday | August 4 - 7

4 sessions - \$206 | 9 AM - 12 PM

Orono Intermediate School

SCIENCE & NATURE

Glam Lab

Sparkle and shine in this glitzy, glamorous camp where science meets style. You'll make fizzy bath bombs, shimmering lip balm, and so much more! Learn the science behind each beauty and bath product as you mix and create, then add your own creative flair by designing packaging to take home your creations. It's science, sparkle, and fun all in one!

Instructor: TechTacToe

#S734 | Grades K - 3

Monday - Thursday | July 21 - 24

4 sessions - \$216 | 1 - 4 PM

Orono Education Link

Harry Potter Science

Enter the mystical realm of Harry Potter! Craft enchanting wands that light up and brew captivating color-changing elixirs, merging magic, and science for an immersive experience.

Instructor: Kidcreate Studio

#S820 | Ages 5 - 12

Friday | August 1

1 session - \$56 | 9 AM - 12 PM

Orono Intermediate School

Icky Science

Get ready to dive into the messy, fascinating world of science! Explore physical reactions by creating instant snow, learn how fossils were formed, and discover the surprising science behind snot! Build a balloon-powered car using wind power, test your engineering skills by creating the strongest bridge, and so much more. Join us for four days of hands-on experiments and scientific fun!

Instructor: Tayler Leach-Smith

#S308 | Grades K - 2

Monday - Thursday | June 23 - 26

4 sessions - \$115 | 9 AM - 12 PM

Orono Education Link

#S613 | Grades K - 2

Monday - Thursday | July 14 - 17

4 sessions - \$115 | 9 AM - 12 PM

Orono Education Link

In the Wild

Become an expedition scout for Wildlife International by creating an expedition field guide about a habitat and animal of your choice. Hone your research skills and become an expert on the different animals living in your habitat. Create and present animal profiles to prove you are the best scout for the job!

Instructor: Cheyanne Johnsrud

#S808 | Grades 2 - 4

Monday - Thursday | July 28 - 31

4 sessions - \$115 | 9 AM - 12 PM

Orono Intermediate School

Junior Scientist

Grab your lab coats, put on your goggles, and fasten your seat belt to enter the world of trial and error, failure and success, asking questions and finding answers. Jr. Scientists will be challenged with a variety of STEM tasks and projects that test their problem solving skills.

Instructor: Chloe Williams

#S407 | Grades K - 2

Monday - Thursday | June 30 - July 3

4 sessions - \$115 | 9 AM - 12 PM

Orono Education Link

LEGO® Bricks Design Lab

Explore basic scientific theories while playing with LEGO® bricks! Build, experiment, and discover how science works through creative, fun projects. From simple machines to fundamental physics and engineering, young minds will learn by doing. Perfect for curious builders and budding scientists!

Instructor: Kidcreate Studio

#S303 | Ages 4 - 9

Monday - Thursday | June 23 - 26

4 sessions - \$206 | 9 AM - 12 PM

Orono Intermediate School

Magic School Bus: Lakes, Rivers & Oceans

Get on the bus with Ms. Frizzle and imagine traveling through rivers, lakes, and oceans. We will explore the different types of plants and animals that can be found in these watery environments. What is it like to live in a stream or pond or a dark cave down under the water? Use a mix of literature, science, physical activities, and art to develop inquiring minds.

Instructor: Josette Repke

#S709 | Grades K - 2

Monday - Thursday | July 21 - 24

4 sessions - \$115 | 9 AM - 12 PM

Orono Intermediate School

Magic School Bus: Space, Weather & Dinosaurs

Get on the bus with Ms. Frizzle and discover the magical interconnections of our world using literature, science, art, physical activities, and cooking. Shrink down to become a raindrop to understand the cycle of water and how weather works. Travel to the time of dinosaurs and decide what type of dinosaur you would be, eat dinosaur food, and learn why they became extinct. Understand space and meteorites and even create a space snack.

Instructor: Josette Repke

#S311 | Grades K - 2

Monday - Thursday | June 23 - 26

4 sessions - \$115 | 9 AM - 12 PM

Orono Intermediate School

Class Locations

Classroom locations will be included on the class reminder you receive via email a couple of days before the first day of class.

SCIENCE & NATURE

Marsh Life

Bring your rain boots and curiosity as we explore the lakefront and its marshy edges. Discover the dozens of species of small water creatures called macro invertebrates. We will catch some tadpoles and find the nesting areas of migratory birds such as the Baltimore Oriole. As we work near the water's edge, the osprey and bald eagle as well as the trumpeter swan family will keep us entertained. This habitat is loaded with many species of mammals, birds, insects, and amphibians.

Instructor: Marleane Callaghan

#S307 | Grades 2 - 6

Monday - Thursday | June 23 - 26

4 sessions - \$115 | 9 AM - 12 PM

Orono Rotary Learning Pavilion

Ocean Adventures

Dive in deep! You know all about life on land, but what do you know about life under water? Learn about the different things the ocean has to offer, from sea critters and their habitats to the water itself.

Instructor: Michelle Tormanen

#S937 | Grades 2 - 4

Monday - Thursday | August 4 - 7

4 sessions - \$115 | 1 - 4 PM

Orono Intermediate School

Mission to Space

3...2...1... Blast off! Join us on an exciting space adventure as we explore the planets, stars, and beyond. Astronauts will experience life on other planets through stories, math challenges, and science experiments. Get ready for a journey around the solar system!

Instructor: Chloe Williams

#S336 | Grades K - 2

Monday - Thursday | June 23 - 26

4 sessions - \$115 | 1 - 4 PM

Orono Education Link

Ocean Odyssey

Dive into adventure! Each day, young explorers will uncover many of the ocean mysteries. We'll explore the incredible underwater world through reading, note-taking and navigating using math. Unleash your creative side through puzzles, games, crafts, and hands-on projects. Get ready for a week of underwater fun and learning!

Instructor: Cheyanne Johnsrud

#S240 | Grades K - 2

Monday - Wednesday | June 16 - 18

3 sessions - \$87 | 1 - 4 PM

Orono Intermediate School

Secret Agent Science

Unravel mysteries through experiments, such as invisible ink, hidden messages, and more! Get ready for a journey where science meets secrecy, and every discovery holds the key to unlocking hidden knowledge!

Instructor: Kidcreate Studio

#S620 | Ages 5 - 12

Friday | July 18

1 session - \$56 | 9 AM - 12 PM

Orono Intermediate School

AT HOME STEM KITS

At home STEM kits from **The STEM Lab**.

An email will be sent about pick-up dates and times. Summer kits will be available for pickup starting **May 15** at the **Orono Community Education office**. Kits available to order through **August 1**.

Backyard Explorer: Bird Watch

#S6002 | Ages 3 - 10 | \$58

Backyard Explorer: Bubbles

#S6004 | Ages 3 - 10 | \$42

Backyard Explorer: Bug Hunt

#S6003 | Ages 4 - 10 | \$58

Backyard Explorer: Honey Bees

#S6001 | Ages 4 - 10 | \$42

Case of the Missing Birthday Cake

#S6011 | Ages 7 - 11 | \$26

Crystal Adventure

#S6010 | Ages 7 - 11 | \$26

Make It Move

#S6012 | Ages 7 - 11 | \$26

Shake-it Robot

#S6013 | Ages 7 - 11 | \$26

Solar Printing

#S6005 | Ages 3 - 10 | \$36

Woodworker Dragster Race Car

#S6009 | Ages 7 - 10 | \$26

Woodworker Marble Drop

#S6007 | Ages 8 - 10 | \$26

Woodworker Marshmallow Launcher

#S6006 | Ages 7 - 10 | \$26

Woodworker Propeller Racer

#S6008 | Ages 8 - 10 | \$26

SCIENCE & NATURE

Survivor in the Big Woods

Minnesota can experience -30 to 100+ degree temperatures all in the same year! We will learn tips on how to be better protected from these extremes, learn about survival car kits, what to keep in your backpacks, and where our weather actually comes from. Test your survival skills as we build a shelter, build a fire, catch water, and learn about an important medicinal plant.

Instructor: Marleane Callaghan

#S511 | Grades 3 - 6

Monday - Thursday | July 7 - 10

4 sessions - \$115 | 9 AM - 12 PM

Orono Rotary Learning Pavilion

Toys & Tinker Lab

Design and build your own toys and trinkets while discovering scientific theories through hands-on activities. This creative and educational adventure sparks imagination and brings learning to life in a playful, engaging way!

Instructor: Kidcreate Studio

#S131 | Ages 5 - 12

Monday - Thursday | June 9 - 12

4 sessions - \$206 | 1 - 4 PM

Orono Intermediate School

Ultimate Slime Blast

Experiment with all sorts of slime! Dive into a universe of gooey, gunky, gloppy slimes, discovering a unique slime each day. But that's not all - create eruptions, engineer a hovercraft, craft a glowing planetary night lamp, and so much more! It's a wild, slime-filled STEAM camp unlike anything you've experienced before!

Instructor: TechTacToe

#S135 | Grades K - 2

Monday - Thursday | June 9 - 12

4 sessions - \$210 | 1 - 4 PM

Orono Education Link

Under the Sea

What exactly is going on under the sea? How deep does the ocean get? How do dolphins communicate with each other? How long can sea turtles live? Join us as we investigate these questions and more!

Instructor: Shelby Bjerkaas

#S807 | Grades K - 2

Monday - Thursday | July 28 - 31

4 sessions - \$115 | 9 AM - 12 PM

Orono Education Link

Zootopia

Get ready for a WILD adventure! Learn fascinating facts and get creative with some animal-themed art. Explore a wide array of animals through virtual trips to the zoo before choosing an animal to become an expert over. Dig deep into the lives of your chosen creatures. Use various resources to learn about their bodies, habitats, diets, and more. We'll wrap up our research, putting all our knowledge together to share our discoveries and celebrate our newfound expertise with a final animal creation.

Instructor: Cheyanne Johnsrud

#S908 | Grades K - 2

Monday - Thursday | August 4 - 7

4 sessions - \$115 | 9 AM - 12 PM

Orono Intermediate School

Thursday, June 26

5:30 - 6:30 PM

Bryantwood Park, Maple Plain

Pop In & Read!

Bring home a free book.
Orono Discovery Center

Wednesday, June 11

10 - 11 AM

Creature Feature- Read a book with an axolotl, duck, and rabbit while learning about the species.

Wednesday, July 9

10 - 11 AM

Arboretum plant mobile!

Wednesday, August 13

10 - 11 AM

Join Soccer Stars for an interactive session to burn off some energy.

**Free events
open to
everyone!**

3D Engineering: Architectural & Structural Design

Unlock your creativity in this architectural LEGO® class! Learn 3D design principles and math skills through building structures, towers, castles, and more. Work in pairs to explore concepts like scale, stacking vs. staggering bricks, and architectural fundamentals while constructing houses with removable roofs, castles with turrets, and mighty towers.

Instructor: Tech Academy

#S931 | Grades K - 2
Monday - Thursday | August 4 - 7
4 sessions - \$172 | 1 - 4 PM
Orono Intermediate School

3D Printing: Build Your Own Robot

Learn the basics of 3D modeling and printing using Tinkercad, designing custom parts for your very own robots. Build two DC-powered robots: a sketchbot and drive bot. Students should be comfortable using a laptop and mouse.

Instructor: Engineering for Kids

#S832 | Grades 4 - 8
Monday - Thursday | July 28 - 31
4 sessions - \$215 | 1 - 4 PM
Orono Intermediate School

3D Printing: Harry Potter

Venture into the wizarding world of Harry Potter while learning the magic of 3D design with Tinkercad! Create your very own wand and magical pendant, and take on fun Harry Potter-inspired challenges. You will also design themed video games. At the end of the week, take home your printed unique projects. Printing and material fees are included.

Instructor: Tech Academy

#S532 | Grades 1 - 5
Monday - Thursday | July 7 - 10
4 sessions - \$207 | 1 - 4 PM
Orono Intermediate School

3D Printing: Hogwarts

Explore the basics of 3D modeling and printing using Tinkercad, creating designs inspired by the Harry Potter series. From wands to wizarding tools, you'll craft your own creations, printing and taking home two of your favorite designs. To ensure everyone can bring their magic to life, some creations may be scaled down for printing during class. Students should be comfortable using a laptop and mouse.

Instructor: Engineering for Kids

#S331 | Grades 4 - 8
Monday - Thursday | June 23 - 26
4 sessions - \$215 | 1 - 4 PM
Orono Intermediate School

3D Printing: Nintendo-Themed Characters

Create Nintendo-inspired characters using Tinkercad and 3D design skills. Enjoy Nintendo-inspired challenges and create themed video games throughout the week. One to two student-designed projects will be printed to take home.

Instructor: Tech Academy

#S105 | Grades 2 - 6
Monday - Thursday | June 9 - 12
4 sessions - \$207 | 9 AM - 12 PM
Orono Intermediate School

Awesome Robotics for Kids

Explore logic, pattern recognition, and math concepts as you are challenged to build robots. Develop basic programming techniques using custom-made programming blocks on PCs. Get hands-on experience using gears, axles, and connector blocks in robotic challenges.

Instructor: TechTacToe

#S606 | Grades K - 3
Monday - Thursday | July 14 - 17
4 sessions - \$210 | 9 AM - 12 PM
Orono Intermediate School

Battle Royale-Style Game Coding

Code your battleground and master the mayhem! Inspired by Fortnite, learn coding and build your own action-packed battle royale. Customize the arena, create unique characters, and scatter power-ups for epic water balloon fights. Battle your friends for the ultimate Victory Royale! Bring a USB drive to save your games.

Instructor: Tech Academy

#S205 | Grades 3 - 6
Monday - Wednesday | June 16 - 18
3 sessions - \$142 | 9 AM - 12 PM
Orono Intermediate School

BriQ Auto Innovators

Where the future of cars is built, one brick at a time! Use LEGO® bricks to design and construct a variety of cars, including wind-powered vehicles, high-performance drag racers, and rubber band propelled cars. You'll be guided through the engineering and design process, learning how to create environmentally friendly and efficient cars.

Instructor: Youth Enrichment League

#S802 | Grades 2 - 7
Monday - Thursday | July 28 - 31
4 sessions - \$155 | 9 AM - 12 PM
Orono Intermediate School

Clever Concoctions & Incredible Inventions

Get ready for a messy adventure! Dive into a world of slime and goo, as we explore chemical reactions in a fun, hands-on way. From sticky concoctions to bouncy mixtures, you'll unleash your creativity while tackling engineering challenges and more.

Instructor: TechTacToe

#S906 | Grades K - 2

Monday - Thursday | August 4 - 7

4 sessions - \$210 | 9 AM - 12 PM

Orono Intermediate School

Destination Mars: Rocketry

Launch your rocket and watch it speed 300 feet into the air! Investigate basic aeronautical concepts including propulsion, thrust, drag, and more. Hypothesize about travel in outer space, how to get a United States astronaut to Mars and life on Mars. Please bring two empty 2-liter bottles for experiments.

Instructor: Youth Enrichment League

#S302 | Grades 1 - 4

Monday - Thursday | June 23 - 26

4 sessions - \$190 | 9 AM - 12 PM

Orono Intermediate School

Enchanted Engineering

Bring fairy tales to life as you solve engineering challenges inspired by beloved stories. Tackle a new project each day to help your favorite characters, from designing the perfect chair for Goldilocks to inventing a clever way for Rapunzel to escape her tower. Through teamwork, imagination, and exploration, you'll gain confidence in problem-solving and creativity, making each day an adventure in engineering and storybook magic!

Instructor: Engineering for Kids

#S604 | Grades K - 3

Monday - Thursday | July 14 - 17

4 sessions - \$215 | 9 AM - 12 PM

Orono Intermediate School

Engineering in the Great Outdoors

Pack your bags and lace up your hiking boots because we are engineering designs to help us explore the great outdoors. Work together to make a shelter, engineer a survival pack, make s'mores in a solar oven, and more! Join us for a week of adventure where everyone goes home a happy camper!

Instructor: Engineering for Kids

#S304 | Grades K - 3

Monday - Thursday | June 23 - 26

4 sessions - \$215 | 9 AM - 12 PM

Orono Intermediate School

Engineering with LEGO®

Elevate your LEGO® building skills! Learn block coding to program your creations. From building super cool machines to incorporating motors, sensors, and light-up bricks, prepare to be amazed by the designs you'll create.

Instructor: TechTacToe

#S706 | Grades K - 3

Monday - Thursday | July 21 - 24

4 sessions - \$210 | 9 AM - 12 PM

Orono Intermediate School

Extreme Robotics: Battlebots

Combine the LEGO® building system's versatility and the Mindstorms EV3 to construct LEGO® models, experiment with programs, and compete in robotic challenges. Robot building, block programming, and teamwork will be part of each day's activities. The final challenges will be centered around hitting targets and a sumo battle.

Instructor: Tech Academy

#S231 | Grades K - 3

Monday - Wednesday | June 16 - 18

3 sessions - \$134 | 1 - 4 PM

Orono Intermediate School

Extreme Robotics: Bionic Beasts & Creatures

Program robots to move, act, and think on their own. Discover the excitement of programming your robot to follow a command and watch it go. Learn the foundations of building and programming concepts. You'll work in teams and be challenged to turn your projects into better, stronger, and faster robots.

Instructor: Tech Academy

#S733 | Grades 2 - 6

Monday - Thursday | July 21 - 24

4 sessions - \$179 | 1 - 4 PM

Orono Intermediate School

Fantastic Electric Toys

Spark your creativity in our electrifying camp where buzzers, speakers, and LED lights come to life! Engineer your own toys, and contraptions and earn the title of Master Toymaker as you explore the world of circuits and electricity.

Instructor: TechTacToe

#S506 | Grades K - 3

Monday - Thursday | July 7 - 10

4 sessions - \$210 | 9 AM - 12 PM

Orono Intermediate School

Glow-in-the-Dark Engineering

Illuminate the night this summer! Explore glow-in-the-dark pigments and learn the difference between fluorescent and luminescent. We'll use LED lights to create a flashlight, light up underwater sea monsters, engineer a cool night lamp, and more.

Instructor: TechTacToe

#S333 | Grades K - 3

Monday - Thursday | June 23 - 26

4 sessions - \$210 | 1 - 4 PM

Orono Intermediate School

Hacking & Cybersecurity

Are you curious about how hackers think or love to solve puzzles? Experience the world of coding, ethical hacking, and cybersecurity. Uncover the techniques hackers use, practice on specially designed websites, and master the skills to protect your online information. Play Capture the Flag games where you'll crack codes and outsmart cyber threats.

Instructor: Tech Academy

#S833 | Grades 3 - 7

Monday - Thursday | July 28 - 31

4 sessions - \$189 | 1 - 4 PM

Orono Intermediate School

Intro to Video Game Design

Explore video game design with Bloxels®! Using a simple touchscreen interface, you'll create characters, build levels, and design gameplay. By the end of the week, you'll have a game you can play on a computer or tablet. This class is perfect for young creators with big ideas - no experience needed!

Instructor: Engineering for Kids

#S133 | Grades 1 - 3

Monday - Thursday | June 9 - 12

4 sessions - \$215 | 1 - 4 PM

Orono Intermediate School

Inventor's Lab

Step into a world of weird, wacky, and mind-blowing creations in this ultra fun lab! Design, experiment, and build the coolest gizmos and gadgets. From a robotic arm to a thrilling slingshot rocket, get ready for endless fun with STEAM-powered projects!

Instructor: TechTacToe

#S106 | Grades K - 3

Monday - Thursday | June 9 - 12

4 sessions - \$210 | 9 AM - 12 PM

Orono Intermediate School

Jr. Engineer: Battlebots Showdown

Design and build your very own battlebots to face off against other teams! Using gears, LEGO® Technic pieces, and moving parts, you'll work in small teams to create bots that can battle, rescue, race, and more! Improve your design after each challenge, test again, and see who comes out on top.

Instructor: TechTacToe

#S636 | Grades K - 3

Monday - Thursday | July 14 - 17

4 sessions - \$210 | 1 - 4 PM

Orono Intermediate School

Kid vs. Wild

Do you have what it takes to survive in the wild? You and your team will be challenged to create clever contraptions to survive in the wild! Engineer a periscope, harness the power of the sun to cook marshmallows, build a device to filter water, construct a shelter, and so much more.

Instructor: TechTacToe

#S806 | Grades K - 3

Monday - Thursday | July 28 - 31

4 sessions - \$210 | 9 AM - 12 PM

Orono Intermediate School

MacQueen Robotics

Build a robot to solve a maze, play soccer, and participate in a dance party! Young engineers will build, code, test, and modify a robot to complete multiple tasks and challenges.

Instructor: Youth Enrichment League

#S702 | Grades 3 - 7

Monday - Thursday | July 21 - 24

4 sessions - \$172 | 9 AM - 12 PM

Orono Intermediate School

Magical Wizards Minecraft Adventures

Build iconic Harry Potter locations like Hogwarts Castle or Diagon Alley within Minecraft. Harness the power of Redstone to create magical effects, from floating candles to moving staircases. Use a custom magic plugin to design and play Harry Potter mini-games using the PC/Java edition of Minecraft. Students should have basic reading skills and be comfortable using a computer. Bring a USB drive to save your game.

Instructor: Tech Academy

#S134 | Grades K - 4

Monday - Thursday | June 9 - 12

4 sessions - \$189 | 1 - 4 PM

Orono Intermediate School

Master Minecraft Modder

Dive into the world of Minecraft modding! Using Minecraft EDU, learn to craft custom adventure maps and programming teleporters. Explore mods like Industrial Craft and Parzi's SW Mod to create automated factories, vehicles, and jetpacks.

Instructor: TechTacToe

#S932 | Grades 1 - 4

Monday - Thursday | August 4 - 7

4 sessions - \$218 | 1 - 4 PM

Orono Intermediate School

Mega Boat Engineering

Embark on an engineering adventure with the largest floating boat LEGO® has ever created, nearly two feet long! Utilize LEGO® Technic bricks and motors to design and build self-propelled boats. Whether it's a river boat or one with wind turbine blades, the possibilities are endless! Captain your creation and race against friends in a summer of unforgettable fun and engineering.

Instructor: TechTacToe

#S533 | Grades K - 4

Monday - Thursday | July 7 - 10

4 sessions - \$215 | 1 - 4 PM

Orono Intermediate School

Minecraft Pokémon Adventures

Join us for the ultimate adventure in our Minecraft Pokémon camp, where two beloved universes collide! Learn to import mods and texture packs to take your adventure to the next level.

Instructor: TechTacToe

#S306 | Grades 1 - 4

Monday - Thursday | June 23 - 26

4 sessions - \$218 | 9 AM - 12 PM

Orono Intermediate School

Mod Development: Minecraft Superhero Mods

Use MCreator to create your own mods based off your favorite superheroes. Design unique superhero abilities and tools for Minecraft Java Edition. Students should have basic reading skills and be comfortable using a computer. Bring a USB drive to save your games.

Instructor: Tech Academy

#S905 | Grades 1 - 5

Monday - Thursday | August 4 - 7

4 sessions - \$189 | 9 AM - 12 PM

Orono Intermediate School

Multiplayer Minecraft: Poké-Mods & Games

Join us for a Minecraft adventure where you'll explore the world of Pokémon like never before! Build your own Pokémon world, create stunning landscapes, iconic locations, and even your own Pokémon using the Pixelmon mod. Discover hidden secrets, rare Pokémon, and exciting challenges throughout the Minecraft world. Bring a USB drive to save your games.

Instructor: Tech Academy

#S432 | Grades 2 - 5

Monday - Thursday | June 30 - July 3

4 sessions - \$189 | 1 - 4 PM

Orono Intermediate School

Multiplayer Minecraft: Theme Park Builder

Create a custom theme park in Minecraft using both your creativity and Redstone! Projects include roller coasters, water rides, trampoline park, and more! We will be using the PC/Java Edition of Minecraft. Bring a USB drive to save your games.

Instructor: Tech Academy

#S332 | Grades K - 4

Monday - Thursday | June 23 - 26

4 sessions - \$189 | 1 - 4 PM

Orono Intermediate School

Pokémon Coding & STEAM Adventures

Learn coding, animation, and more while creating your own Pokémon stop-motion film. Build imaginative sets and props, and participate in a variety of STEAM-based challenges. Don't miss out on this exciting opportunity to unleash your creativity and become a Pokémon master of coding! Bring a USB drive to save your games.

Instructor: Tech Academy

#S631 | Grades K - 4

Monday - Thursday | July 14 - 17

4 sessions - \$189 | 1 - 4 PM

Orono Intermediate School

Pokémon Training

Follow your Pokémon trainers in daily STEM projects! Collect special cards, make a fizzing Poké Ball, light up Pikachu, catapult, and more. You'll be a Pokémon master by the end of the week!

Instructor: Engineering for Kids

#S904 | Grades K - 3

Monday - Thursday | August 4 - 7

4 sessions - \$215 | 9 AM - 12 PM

Orono Intermediate School

Pokémon Video Game Design

Become a writer, artist, designer, and developer, as you create your very own Pokémon-themed video game using Bloxels and a tablet. You'll be building games from the ground up—designing characters, levels, and challenges. Bring your Pokémon adventure to life!

Instructor: Engineering for Kids

#S704 | Grades 4 - 8

Monday - Thursday | July 21 - 24

4 sessions - \$215 | 9 AM - 12 PM

Orono Intermediate School

RC Wars

Get ready for epic LEGO® model battles! Design, build, and program your own remote-controlled LEGO® models to compete in challenges. Learn strategies to develop effective tactics for winning battles. Apply engineering principles to design and build models that are powerful and durable.

Instructor: Tech Academy

#S605 | Grades 1 - 5

Monday - Thursday | July 14 - 17

4 sessions - \$179 | 9 AM - 12 PM

Orono Intermediate School

Robotic Builders: Battlebots

Let the battles begin! Designed by the experts at MIT, the LEGO® WeDo Robotics' unique system teaches students about simple machines, engineering, programming, and so much more. You'll construct a catapult, tank, battle axe, crossbow, and more!

Instructor: Tech Academy

#S805 | Grades 1 - 5
Monday - Thursday | July 28 - 31
4 sessions - \$179 | 9 AM - 12 PM
Orono Intermediate School

Robotic Builders: Space & Star Wars

Join us for a journey into galactic engineering! Explore simple machines, programming, and teamwork through Star Wars-themed projects. You'll build an AT-ST Biped, spinning TIE fighters, cannons, and more. Get ready for an out-of-this-world adventure!

Instructor: Tech Academy

#S305 | Grades K - 2
Monday - Thursday | June 23 - 26
4 sessions - \$179 | 9 AM - 12 PM
Orono Intermediate School

Robotic Pet Lab

Have you ever thought about creating your very own family of robotic pets? Whether you want your robotic pet to be cute, cuddly, or playful-you'll have motors, batteries, and other supplies at your disposal to create!

Instructor: TechTacToe

#S834 | Grades K - 3
Monday - Thursday | July 28 - 31
4 sessions - \$210 | 1 - 4 PM
Orono Intermediate School

Robotics Evolution

Work in small groups and build robots with sensors, then program them to complete tasks like delivering food, cleaning up nature, or reuniting animal friends. This class emphasizes skills such as STEM, teamwork, and problem solving.

Instructor: Youth Enrichment League

#S402 | Grades 3 - 7
Monday - Thursday | June 30 - July 3
4 sessions - \$206 | 9 AM - 12 PM
Orono Intermediate School

Robotics: Scout 'Bots

Build and code space rovers to scout out Mars, the moon, and other extraterrestrial environments. Create a dragster and volcano alarm to learn basic computer programming.

Instructor: Youth Enrichment League

#S202 | Grades K - 4
Monday - Wednesday | June 16 - 18
3 sessions - \$116 | 9 AM - 12 PM
Orono Intermediate School

Sparks Maker

Explore the wonders of electricity, magnetism, and circuits through hands-on projects such as a magnetic ice skater, electro-dough, flashlight, and more!

Instructor: Engineering for Kids

#S504 | Grades K - 3
Monday - Thursday | July 7 - 10
4 sessions - \$215 | 9 AM - 12 PM
Orono Intermediate School

Star Wars Movie Making & Coding

From a galaxy far, far away, Star Wars comes to life! Design out-of-this-world scenes, vehicles, starships, and props to create a stop-motion animated Star Wars short. Learn the digital filmmaking process from start to finish as well as many themed coding activities throughout the week. Bring a USB drive on the last day.

Instructor: Tech Academy

#S705 | Grades K - 4
Monday - Thursday | July 21 - 24
4 sessions - \$189 | 9 AM - 12 PM
Orono Intermediate School

Super Smash Brawlers Game Coding

Unleash your ultimate platform fighter! Create a game using Construct 3, a powerful and user-friendly game development platform. Learn how to design, develop, and implement various game mechanics, including character selection, combat systems, and more. Through hands-on projects and guided instruction, you'll learn game development principles and create a dynamic platform game. Bring a USB drive to save your work.

Instructor: Tech Academy

#S505 | Grades 2 - 6
Monday - Thursday | July 7 - 10
4 sessions - \$189 | 9 AM - 12 PM
Orono Intermediate School

REMINDER

Register for camps & classes that correspond with the grade completed in the 2024-25 school year.

Survivor: Engineers Island

Imagine you're stranded on an abandoned island filled with obstacles—dark caves, wild animals, cold temperatures, and separation from the comforts of home. Work with team members to compete against others in projects aimed at trying to survive the harsh island conditions and escape to freedom. The team with the most points at the end of the week will claim the honor of being the winners of Survivor Island!

Instructor: Engineering for Kids

#S132 | Grades 3 - 7
Monday - Thursday | June 9 - 12
4 sessions - \$215 | 1 - 4 PM
Orono Intermediate School

Ultimate YouTube Star

Embark on an unforgettable YouTube journey with your friends! Dive into the art of video production, from recording to editing and uploading, with guidance to elevate your content. Explore creating unique channel art, while learning about copyright and fair use. Get ready to make your mark on the world of YouTube!

Instructor: TechTacToe

#S234 | Grades 2 - 6
Monday - Wednesday | June 16 - 18
3 sessions - \$169 | 1 - 4 PM
Orono Intermediate School

Video Production for YouTube: Podcasting & Vlogging

Learn how to produce a YouTube video podcast! Explore ideas, make a script map, and more. You'll refine your audio using Audacity. Edit your video, add transitions, and insert a soundtrack. Share your finished video with the world. Bring a USB drive (8 GB) to save your work.

Instructor: Tech Academy

#S405 | Grades 2 - 6
Monday - Thursday | June 30 - July 3
4 sessions - \$189 | 9 AM - 12 PM
Orono Intermediate School

Wizard Academy

Welcome to Wizard Academy! Embark on a journey of creativity and discovery, crafting your own enchanted gadgets, designing magical transportation, experimenting with potions that produce magical reactions, and more! This class encourages collaboration, problem-solving, and critical thinking, while learning engineering skills in a fun, spellbinding environment!

Instructor: Engineering for Kids

#S104 | Grades 3 - 7
Monday - Thursday | June 9 - 12
4 sessions - \$215 | 9 AM - 12 PM
Orono Intermediate School

Wizard's Escape Room

Each day begins with a new escape room experience, where teams must tackle engineering challenges and puzzles: such as designing enchanted locks or building contraptions. Working in teams, you'll design your own escape rooms, creating puzzles and challenges for others to solve. Present your rooms on the last day, and try to outsmart other teams in this ultimate test of creativity and collaboration!

Instructor: Engineering for Kids

#S732 | Grades 3 - 7
Monday - Thursday | July 21 - 24
4 sessions - \$215 | 1 - 4 PM
Orono Intermediate School

World Travelers

Get ready for an extraordinary adventure as you explore skies, roads, and seas! Receive your passport and 'travel' to a new country using a different mode of transportation you engineer yourself. Whether it's designing planes, trains, boats, or cars, you'll tackle daily challenges to reach your destination. Complete the week with a passport full of memories and a collection of creative transportation projects!

Instructor: Engineering for Kids

#S103 | Grades K - 3
Monday - Thursday | June 9 - 12
4 sessions - \$215 | 9 AM - 12 PM
Orono Intermediate School

Zoo Builders

Dive into the science of survival, discovering how chameleons camouflage, how lobsters use their claws, and how camels thrive in desert heat. Through hands-on building, create models of animals, and learn how their unique features help them survive in their habitats. Build your own mini zoo, filled with animals from around the world!

Instructor: Engineering for Kids

#S233 | Grades K - 3
Monday - Wednesday | June 16 - 18
3 sessions - \$160 | 1 - 4 PM
Orono Intermediate School

MIND MOTIVATORS

13-Story Treehouse Adventures

Step into the wildly creative world of The 13-Story Treehouse! Inspired by the quirky adventures of Andy and Terr., we'll journey through a treehouse full of surprises, including secret rooms, wild inventions, and plenty of laughter. Explore the book's colorful characters and imaginative settings while creating your own treehouse world through writing, drawing, building and playing. Activities will include: designing your dream treehouse, writing a short story about a crazy adventure, recreating a model of a room in the treehouse, and more. Get ready for a playful, creative experience where the sky's the limit!

Instructor: Lindsey Lallas

#S417 | Grades 2 - 4
Monday - Thursday | June 30 - July 3
4 sessions - \$115 | 9 AM - 12 PM
Orono Intermediate School

A Camping We Will Go

Get ready for a camping adventure right in the classroom! We'll make s'mores using solar power, design our own tents, read exciting camping stories, and enjoy fun, nature-themed activities. Join us for a week of creativity, exploration, and outdoor-inspired fun - no sleeping bags required!

Instructor: Shelby Bjerkaas

#S214 | Grades K - 2
Monday - Wednesday | June 16 - 18
3 sessions - \$87 | 9 AM - 12 PM
Orono Education Link

#S912 | Grades K - 2
Monday - Thursday | August 4 - 7
4 sessions - \$115 | 9 AM - 12 PM
Orono Education Link

A Recipe for Writing

So you think it's easy to write your own recipe? Take a turn being a recipe creator and learn about the importance of being a detailed writer. Can someone accurately complete your recipe with the steps you give them? We will learn how the magic of writing is in the details.

Instructor: Michelle Tormanen

#S816 | Grades 2 - 4
Monday - Thursday | July 28 - 31
4 sessions - \$115 | 9 AM - 12 PM
Orono Intermediate School

Ancient Worlds & Civilizations

Where would you go if you could travel in time? We will explore different eras - including the Roman era (make a volcano in Pompeii), Ancient Greece and Mount Olympus (create mythological heroes and villains) and the Egyptian Era (discuss King Tut, stolen pyramid treasure, and mummies). Join us for the adventure!

Instructor: Jennifer Fossen

#S538 | Grades 3 - 7
Monday - Thursday | July 7 - 10
4 sessions - \$115 | 1 - 4 PM
Orono Intermediate School

Argument Academy

Step into the world of debate and sharpen your public speaking skills this summer! Learn how to research, organize arguments, and speak confidently in front of others. By the end, you'll have the chance to face off in a friendly debate with a peer, putting your new skills to the test! Get ready to boost your communication abilities and have fun while doing it!

Instructor: Kate Campbell

#S921 | Grades 6 - 8
Monday - Thursday | August 4 - 7
4 sessions - \$115 | 9 AM - 12 PM
Orono Intermediate School

Around the World

Climb aboard as we travel around the world in one classroom. Join in as we explore different cultures, food, dances, rituals and daily life across the world! Each day we will dive into a new country and learn the differences that spread across the blue seas and green land!

Instructor: Chloe Williams

#S434 | Grades 3 - 5
Monday - Thursday | June 30 - July 3
4 sessions - \$115 | 1 - 4 PM
Orono Education Link

#S835 | Grades K - 2
Monday - Thursday | July 28 - 31
4 sessions - \$115 | 1 - 4 PM
Orono Education Link

Board Game Builders

Roll the dice or pick your card! Use your creative skills to design your own board game and develop your own rule book. Get a chance to play and explore other board games to learn what it takes to be a master board game creator.

Instructor: Michelle Tormanen & Lindsey Lallas

#S318 | Grades 3 - 5
Monday - Thursday | June 23 - 26
4 sessions - \$115 | 9 AM - 12 PM
Orono Intermediate School

#S915 | Grades 3 - 5
Monday - Thursday | August 4 - 7
4 sessions - \$115 | 9 AM - 12 PM
Orono Intermediate School

Buggy About Math

Catch the math bug and get ready for a buzzing good time! We'll explore size, quantities, patterns, and more as we hop into fun, math-filled activities. You'll even get to create your own math bugs while sharpening your math skills and learning fun facts about insects along the way!

Instructor: Kelli Silva

#S843 | Grades K - 2
Monday - Thursday | July 28 - 31
4 sessions - \$115 | 1 - 4 PM
Orono Intermediate School

Come explore your feelings in this interactive camp designed to help students learn about, manage, and identify emotions. Students will engage in skill and community building, movement activities, and art to increase their emotional vocabulary and coping skills.

Instructor: Relate Counseling Center Staff

4 sessions- \$100 | Orono Education Link

Camp Emoji: Road to Kindergarten

Using the foundation of the original Camp Emoji, Road to Kindergarten offers an opportunity to prepare for the emotions of starting school.

**#S822 | Entering K in Fall 2025
July 28 - 31 | 9 AM - 12 PM**

Camp Emoji

Recommended for students that are new to Camp Emoji or have taken the class once and would like to repeat it.

**#S322 | Grades K - 2
June 23 - 26 | 9 AM - 12 PM**

Camp Emoji 2.0

New curriculum! Recommended for students that have taken Camp Emoji once or twice.

**#S922 | Grades 3 - 5
August 4 - 7 | 9 AM - 12 PM**

Camp Emoji: Road to Middle School

Using the foundation of the original Camp Emoji, Road to Middle School offers an opportunity to prepare for the adjustment to middle school.

#S944 | Grade 5 | August 4 - 7 | 1 - 4 PM

Card Game Masters

A deck of cards offers endless possibilities! Unlock the many ways you can turn a deck of cards into a new game. Discover games that involve strategy, speed, and creativity. From classic favorites to unique challenges, you'll learn how to turn a simple deck into a world of fun and excitement!

Instructor: Michelle Tormanen

**#S436 | Grades 4 - 6
Monday - Thursday | June 30 - July 3
4 sessions - \$115 | 1 - 4 PM
Orono Intermediate School**

Career Quest

Ready to explore your future possibilities? We'll take you on an exciting journey through a wide range of careers, giving you the chance to learn about fields like technology, law, healthcare, business, media, and the arts. Students will explore different careers through interactive challenges, meet professionals from various industries, and take part in hands-on activities designed to help them learn about each profession. It's time to imagine your future!

**#S246 | Grades 6 - 8
Monday - Wednesday | June 16 - 18

SUMMER FUN

SUMMER PLAYGROUND PROGRAM

Get ready for outdoor fun! Our energetic staff will lead students through a variety of organized games and activities designed to encourage teamwork and skill-building. We provide a structured, safe environment where kids can explore their interests, try new activities, and make lasting friendships. With active games, special event days, and art activities, there's something for everyone! Daily attendance is optional, but registration is required. Don't forget to bring water and sunscreen each day!

Grades K - 6

#S250 Holbrook Park in Long Lake

#S251 Rainbow Park in Maple Plain

**Monday - Thursday | June 16 - July 31
1 - 4 PM**

**No Playground Program June 19
Fee: \$139**

Program Locations:

Holbrook Park - 300 Harrington Dr., Long Lake, MN 55356

Rainbow Park - 1500 Rainbow Avenue, Maple Plain, MN 55359

Inclement Weather: If inclement weather starts during the program, we will move to the park shelter and you should come pick up students as soon as possible. If inclement weather starts in the morning and is expected to last through the afternoon, we will move the program to the Orono Middle School for indoor activities. Orono Middle School - 800 Old Crystal Bay Rd. N., Long Lake, MN 55356 (use lower/north parking lot and enter Door M4)

Bus Transportation/Lunch: If you are registered for morning camps and the Playground Program the following details apply:

- Free bus transportation to playground locations from the school campus. At the time registration, you will be asked to indicate if you are taking advantage of bus transportation.
- Send a bag lunch to be eaten at the parks between the time of bus drop-off and 1 pm. Lunch time is supervised, but is intended only for students using bus transportation to the park location. No need to register for Lunch Bunch.

Diving Camp Beginner & Intermediate

This camp is designed for beginner to intermediate divers. Beginner participants will learn fundamental diving skills and basic dives in this class. Divers will start with diving from the side of the pool and progress to a front dive with approach from the diving board. If students have already taken a beginner class, they will work on more advanced skills, which will help them to prepare for competitive diving.

Instructor: Sarah Neve

#S1630 | Grades 3 - 7
Monday - Thursday | August 4 - 7
4 sessions - \$52 | 9 - 10 AM

Diving Camp Intermediate & Advanced

This camp is for students who have had past experience with diving, or are already on a high school team looking for continuous instruction in the off-season. Sarah is a trained high school diving coach that will provide instruction on intermediate to advanced diving skills.

Instructor: Sarah Neve

#S1631 | Grades 7 - 12
Monday - Thursday | August 4 - 7
4 sessions - \$52 | 10 - 11 AM

Interested in private diving lessons?

tara.st.martin@orono.k12.mn.us

Metro Marlins Swim Team

Open to ages 7 - 18

Team & Registration Website: gomotionapp.com/team/mnmmst/page/home

The Metro Marlins Swim Team is a member team of USA Swimming. The program includes conditioning, stroke technique, dry land training, team-building opportunities, Metro Marlins in-house meets, and swim meets against other USA Swim clubs. Anyone interested in competitive swimming is invited to try out. All swimmers should be familiar with each swim stroke before trying out. Our team is divided into four levels: Red, White, Blue, and Silver. All levels are encouraged to compete at meets. **New swimmers will be asked to try out and be evaluated by the Metro Marlins coaching staff.** Final team placement will be based on swimmer performance.

SCHEDULE:

SEASON: April 14 - July 31

A complete practice schedule is available on the Metro Marlins Sports Engine Motion site.

Registration now open on the Metro Marlins TeamUnify site.

Red Team

Entry level team. A transition from swim lessons to swim team.

\$95/month

White Team

Entry level team. Swimmers have most of the strokes mastered and are working on endurance.

\$125/month

Blue Team

Proficient in all strokes. Continuing to work on stroke technique and endurance for the next level.

\$150/month

Silver Team

Advanced swimmers and high school swimmers. Continuing on work toward the next level.

\$180/month

Registration Fee: \$20 + USA Swim Fee

All swimmers are required to be a USA Swimming Member as it provides insurance for each swimmer during practice and meets.

After initial payment, fees will be charged the first of the month.

Swimming Lesson Descriptions

Parent & Child Class

6 months - Age 2

Enjoy swimming with your child while building swimming readiness by emphasizing fun and safety in the water. Parent/guardian must accompany child in the water. Children not potty trained should wear swim diapers or plastic diaper covers.

Preschool Level 1

Ages 3 - 5

For inexperienced or cautious swimmers. Focus will be on gaining comfort in the water, floating on front and back, blowing bubbles, and submerging. Parent/guardian must accompany child in the water.

Preschool Level 2

Ages 3 - 5

For the swimmer who is comfortable voluntarily submerging. Focus will be on creating greater independence floating and swimming. Parent/guardian may accompany child in the water.

Preschool Level 3

Ages 3 - 5 (not offered Summer 2025)

For the swimmer who is floating, submerging, and swimming independently. Work to gain independence and build endurance in all skills. Parent/guardian may accompany child in the water.

Level 1: Introduction of Water Skills

Ages 5+

Tentative in and around water, uncomfortable submerging head, and not yet floating independently.

Level 2: Fundamental Aquatics Skills

Ages 5+

Comfortable in the water, submerges head, floats independently.

Level 3: Stroke Development

Ages 5+

Comfortable in deep water, swims at least 5 yards on front with a coordinated stroke independently, swims at least 5 yards on back with a coordinated stroke independently.

Level 4: Stroke Improvement

Ages 5+

Comfortable in deep water, swims at least 15 yards coordinated: front crawl, back crawl, and knows dolphin kick and breaststroke kick.

Level 5/6: Stroke Refinement & Skill Proficiency

Ages 5+

Comfortable in deep water, swims at least 25 yards of the following strokes: front crawl, back crawl, elementary backstroke, breaststroke, sidestroke, and butterfly.

Swimming Lesson Pre-Assessment - Fall Lessons

Pre-assessments for Fall 2025 lessons will take place in early August

If you are new to Orono Community Education's swimming lessons, we encourage you to schedule a free swimming pre-assessment to determine the best level for your swimmer. Pre-assessments take place at the Orono pool and instructors will guide your swimmer through a set of skills in a 15-minute period. **Note:** Attending a pre-assessment does not guarantee a spot in lessons. Spots fill quickly.

Email tara.st.martin@orono.k12.mn.us to receive scheduling info.

Summer Swim Camp Info

Due to high demand for lessons there is a limit of **one swim camp** per swimmer in the summer season.

Swimming Lesson Schedule

7 Lessons - \$70

Check out Summer Explorers!
This camp is the perfect complement to swimming lessons that occur during the 9 AM - 12 PM camp time. It will fill the time before and/or after your child's 30-minute swimming lesson.

Summer Explorers

Join us for an exciting adventure filled with fun, hands-on activities. Each day features a new theme, with activities organized into 30-minute stations to keep kids engaged and learning. Campers will explore a variety of topics through interactive and creative activities designed to spark curiosity and build new skills. With a different theme each day, every camper will have a unique and memorable experience!

YOU MUST ALSO REGISTER AND PAY FOR A SWIMMING LESSON THAT IS IN THE 9 AM - 12 PM TIME FRAME DURING CORRESPONDING WEEKS. See the swimming lesson schedule at right.

Orono Intermediate School

Log Rolling 101

Embark on an exciting journey to improve your balance and coordination while learning the sport of log rolling! Work through a series of engaging activities and games aimed at developing essential balance skills. From mastering the basics of footwork and posture to navigating more challenging maneuvers, such as spins and directional changes, you will gain confidence and proficiency on the rolling logs. Learn valuable techniques for staying safe while enjoying this unique water sport. Students should be able to swim 25 yards independently and tread water for 30 seconds (typically Red Cross Swimming Level 4 or higher). Students will be assessed for water safety and comfort on the first day.

- LACROSSE -

Lacrosse

This camp is designed for beginner and intermediate players who are eager to learn the fundamentals of this fast-paced and exciting sport. Learn the basics of: cradling, shooting, passing, catching, and defending. In addition to teaching the sports skills, we also teach the vital life skills of teamwork, sportsmanship, respect and leadership. Whether your child dreams of becoming the next lacrosse star or is just looking to try something new, this is a great place to start. All equipment is provided.

- PICKLEBALL -

Pickleball Camp

Designed for new and intermediate players, Skyhawks Pickleball is a fun and skill-building entry into the fastest-growing paddle sport in the country! Skyhawks staff will teach core fundamentals and techniques across groundstrokes, volleys and serves. Participants will come away with a love for the game, increased confidence and exposure to critical life skills such as teamwork, sportsmanship and respect. Each participant will get to take home their Skyhawks branded Pickleball paddle at the end of camp!

- ROWING -

Rowing: Juniors Prep Camp

This camp is for athletes interested in joining the Long Lake Rowing Crew Juniors team. Participants will learn the basics of competitive rowing, improve their technique, and experience training as part of a team. After building skills and confidence, new rowers can join the team as "novice rowers." Participants are required to be able to swim 100 meters and tread water. Dress to get wet - wear socks and tennis shoes, and bring a water bottle and towel. Daily attendance is required as each session builds on the previous one. Camp check-in instructions included in the registration confirmation email. In the event of inclement weather, camp will be held at the Long Lake Fire Department for land rowing.

SPORTS & FITNESS

- TENNIS -

Orono Tennis Camp: Junior Training & Development

Red, Orange and Green Ball lessons are offered Monday - Thursday. Choose the number of days you wish to attend each week at the time of registration.

4 days per week - \$140

3 days per week - \$110

2 days per week - \$80

Meet Coach Aaron Dvorak

Coach Dvorak leads the Orono High School boys and girls teams. He is a well-trained tennis professional who has over 25 years teaching experience. Coach Dvorak is an accomplished tennis player who played Division 1 tennis at the University of Minnesota. He has experience and knowledge in coaching high school tennis and teaching the fundamentals of tennis through private lessons, clinics, and academies.

Tennis: Red Ball Ages 5 - 6

Designed for beginners, this camp uses balls that bounce lower and move slowly, giving players more time to react. Through fun tennis games, kids will learn the basics of grip, ready position, and strokes while building confidence and skill.

Tennis: Orange Ball Ages 7 - 10

Players will build on fundamental skills while adding movement and court coverage. Using orange balls, which bounce higher and faster than red balls but slower than green, players will focus on footwork, consistency, and strategy through singles and doubles point play. Serving, scoring, and an introduction to match play will also be covered.

Tennis: Green Ball Ages 10 - 12

For players ready to play on a full-length court, this camp focuses on refining technique and rallying skills. Players will engage in situational point play to develop strategies for both singles and doubles. They'll also work on serving, scoring, and competing.

Tennis: Yellow Ball Ages 12 - 18

For junior varsity, varsity, or USTA competitive players, this camp will help athletes maximize their potential. Players will practice and compete with others at their skill level, focusing on advanced stroke production, tactics, strategy, mental toughness, conditioning, and match play.

Tuesdays & Thursdays | 2 sessions - \$80

Tennis Lessons: Private & Small Group

You must register on the waitlist and select your desired number of lessons. Our instructor will contact you to schedule lessons. Once a schedule is set, we will process your payment. For groups, please register each child in the group and note the other group member(s) on your registration.

#S165 | Ages 5 - Adult

Lesson rates:

Individual - \$100/hr.

Group of 2 - \$110/hr. (\$55/student)

Group of 3 - \$120/hr. (\$40/student)

Group of 4 - \$160/hr. (\$40/student)

Tennis Lesson Details

Location

June 19 - August 7: Orono High School Tennis Courts

August 11 - 21: Orono Intermediate School Courts

Rain Days

In the event classes are cancelled due to the weather, contact Aaron Dvorak to indicate what day during the summer you would like to attend as a make-up.

Equipment

Provide your own racket. Size recommendations:

Red Ball: 21" - 23" racket

Orange Ball: 23" - 25" racket

Green Ball: 25" 26" or introductory 27" racket

Questions

For tennis specific questions or to schedule a make-up, contact: aarondvorak@hotmail.com or 612-730-4756.

Pirates & Mermaids

#S040 | June 2 - 5 | 4 sessions - \$125

Embark on an ocean adventure filled with storytelling, arts and crafts, and creative play! This camp explores the magical worlds of pirates and mermaids, helping young children build basic academic skills while fostering creativity and social interaction. Join us for a fun-filled week of seafaring fun and learning!

Builders & Engineers

#S041 | June 9 - 12 | 4 sessions - \$125

In this hands-on camp, young children will explore the exciting world of engineering and construction through creative projects and imaginative play. They'll develop problem-solving skills, creativity, and a love for building as they work on fun, building-themed activities. Preschoolers will also learn about famous engineers while engaging in games and challenges that spark their curiosity and learning.

Little Artists, Big Dreams

#S042 | Monday - Wednesday
June 16 - 18 | 3 sessions - \$94

Ignite your child's creativity with a variety of art and craft activities! Preschoolers will explore different art techniques, experiment with colors and textures, and develop their artistic skills through hands-on experiences. This is a fun, creative space for young artists to dream big and express themselves!

Wild Wonders

#S043 | June 23 - July 3
8 sessions - \$250

Immerse your child in the wonders of nature through outdoor exploration and sensory experiences. This camp will help preschoolers develop a love for the natural world while learning about environmental conservation. Most activities will take place in The Backyard and nature trails, offering plenty of hands-on fun!

A Slimy, Goopy Adventure

#S044 | July 7 - 17 | 8 sessions - \$250

Introduce your child to the exciting world of slime-making! Through hands-on experiments and sensory play, preschoolers will explore the properties of different materials and learn the science behind slime. Get ready for a gooey, slimy, fun-filled experience!

Culinary Creations

#S045 | July 28 - 31 | 4 sessions - \$125

If your child loves to measure and mix, this baking camp is the perfect fit! Preschoolers will learn the basics of baking, including proper measuring, mixing techniques, and the science behind each ingredient. Each day, we'll make a delicious treat and create fun baking-inspired art projects.

I Love Minnesota

#S030 | June 2 - 5 | 4 sessions - \$125

Join us for a fun-filled week all about the beautiful state of Minnesota! Discover the wonders of the Land of 10,000 Lakes through crafts, games, and nature activities. From learning about Minnesota's animals and plants to celebrating its seasons and landmarks, every day will be a new adventure. Sing songs, make art, and explore all the fun that makes Minnesota so special. Come along for a week of discovery, laughter, and learning about our amazing state!

Space Explorers

#S031 | June 9 - 12 | 4 sessions - \$125

Get ready for a fun and exciting journey through space! Explore the stars, planets, and the moon with hands-on activities, crafts, and interactive games. From creating rocket ships to learning about friendly aliens, each day will be a new adventure in the galaxy! Perfect for curious young minds, this camp sparks imagination and introduces the wonders of space in a playful, age-appropriate way. Blast off with us for a week of space fun!

Fun in the Sun

**#S032 | June 16 - 26 | No class June 19
7 sessions - \$220**

Get ready for a sunshine-filled adventure, all about Fun in the Sun! Enjoy outdoor games, water play, arts and crafts, and lots of time to explore and play in the warm weather. Whether it's splashing in the kiddie pool, creating colorful sun prints, or playing with friends in the sunshine, every day will be full of laughter and joy. Join us for fun, friendship, and unforgettable memories under the sun!

Red, White and Blue

**#S033 | June 30 - July 3
4 sessions - \$125**

Celebrate the magic of the 4th of July! Enjoy fun, patriotic activities like making star-spangled crafts, singing festive songs, and learning about fireworks and flags. We'll explore the spirit of independence with exciting games, red, white, and blue art projects, and lots of outdoor fun. Join us for colorful memories and 4th of July joy that will make this holiday extra special!

Little Artists

#S034 | July 7 - 17 | 8 sessions - \$250

Calling all tiny art aficionados and budding brushstrokes! Ignite your child's creative spark with this camp. Transform into miniature maestros, wielding colorful paints, and exploring a palette of possibilities. Sculpt whimsical clay creations, read stories of famous artists, dance like Degas' ballerinas and sing like Seurat's Sunday afternoon strollers. So grab your smocks, unleash your inner artist, and get ready to paint the summer vibrant!

Summer Science

#S035 | July 28 - 31 | 4 sessions - \$125

Get ready for a week of fun in The Backyard all about summer science! Dive into hands-on experiments, nature walks, and interactive activities that make science exciting and fun. From watching how plants grow to discovering the wonders of water and bubbles, each day is packed with cool experiments and playful learning. Your child will be amazed by the world around them while making new friends and enjoying a week full of scientific adventure!

Finding Calm in the Chaos Self Care for Parents & Caregivers

Parenting is a full-time job, but taking care of yourself is just as important! Join us as we connect and refocus with other parents and caregivers. A parent educator will lead this discussion and provide a space to reflect, share experiences, gain insights, and receive support. You'll walk away with practical tools and discover strategies to help prioritize self-care. By meeting your own mental and physical needs, it will benefit both you and your children. *Instructor: Leslie Eull*

MIDDLE & HIGH SCHOOL

Driver's Education

This class fulfills the 30 hours of classroom driver's training required by the State of Minnesota. Class will be taught in-person. After completing this course, students must sign up with a commercial driving school and receive a blue card, which they will need before taking their permit test. After passing the permit test, they must take 6 hours of behind-the-wheel instruction at a cost of \$398. Missed classes must be made up in another session. For more information on Driver's Education and Westonka Driving School, email Rob Illies at westonkadriving@gmail.com, call 952-955-1486 (work), text 952-237-5971 (cell), or go to westonkadrivingschool.com. Each day, students should bring a writing utensil and paper.

A current sports physical is **REQUIRED BEFORE** registering for Middle School Sports or High School Club Sports!

Physicals are valid for 3 years from exam date. You will not be able to complete your registration if your child's sports physical is not on file in the school or if a current physical expires before the final date of the season for which you are registering.

See full details online and download the Sports Qualifying Physical Exam form at: ce.oronoschools.org > Youth Sports & Recreation > Middle School Sports

REGISTRATION INFORMATION

1. Go to mypaymentsplus.com
2. Sign into your account
3. Click "Events & Activities" to select your sport

Students that are enrolled to receive Educational Benefits will be able to register at adjusted fees that are already set up in their MyPaymentsPlus family account.

COLLEGE PLANNING

ACT College Examination Preparatory Course

This course is an excellent alternative for any student unable to attend an in-person class, but still prefers the interaction with an instructor. Our instructors teach live via Zoom and are available to answer questions if needed. You will need an internet connection and a computer/tablet/smart phone. Instruction for all areas tested will be provided with focal points on diagnostic testing, science reasoning, math review and strategies, reading comprehension improvement, English strategies, writing essays, overcoming test anxiety and time management. Please have notebook paper, pencils and a calculator available. Once enrolled, students are sent a link via email for their class. For a complete list of ACT prep class locations, go to AdvantagePrep.net or call 612-222-5108.

College Connectors

Our Process...Your Success

College Essay Writing Workshop - Virtual

The college application process is complex. Students will learn how to write an effective essay and personal statement through guided exercises. They will have an opportunity to create a draft of the Common Application personal statement, evaluate supplemental essays and discuss how to answer common supplemental questions. Students will receive written feedback and will have an option to have an essay review meeting with a College Connector counselor.

College Search for the Aspiring Athlete

Are you a student-athlete aspiring to play sports in college? Choosing the right school is about finding the best overall fit for you. As you explore your options, you want to be sure to consider academics, campus culture, and cost—not just the athletics program. Whether you're aiming for a professional career or simply want to enjoy playing sports at the collegiate level, this session will provide information on your college sports options and some admission tips tailored for athletes. This session is for students and parents/caregivers to attend.

Beginner Ladies Golf

This program is structured for ladies who want to understand the overall mechanics of the golf swing. You will learn the full swing as well as the short game (chipping, pitching and putting). The main goal of this program is to have fun and be able to manage yourself around the golf course. Range balls are included and clubs are available if needed. There will be a chance to play on the course on the last night. Please dress for the weather. Registration Deadline: May 15th for the June session and June 19th for the July session.

Weather Policy - In the event of severe weather, the class may be made up.

Intermediate Ladies Golf

This series is structured for women who have completed the Beginner Ladies Series or feel their game is ready for the next level of instruction. Our vision in this series is to focus on correct fundamentals. Emphasis will be on grip, stance and posture and how it relates to overall ball striking. Full swing and short game (chipping, pitching and putting) will be covered. Range balls are included, clubs are available if needed. You will have the chance to play on the course after the last class. Registration Deadline: June 11th

Weather Policy - In the event of severe weather, the class will be made up if possible.

Goat Yoga

Be ready to laugh, relax, connect with the community and enjoy some friendly goats during this fun and unique yoga class! Class includes a 45 minute instructor-led gentle flow yoga session starting at 10 am. You will be joined by several goats, including adorable baby goats! After the yoga session, there will be photo opportunities and a chance to bottle feed the baby goats. Receive a free treat from a local cottage baker and a chance to shop the Rockin Porch Farms Collection of goat's milk soaps and lotions. Rockin Porch Farms Goat Yoga is located on a tennis court surrounded by beautiful trees, ponds and farm animals. Bring a friend or family member and try this one-of-a-kind yoga! A perfect mother's day weekend activity for the whole family! Children ten and older can register with an enrolled adult.

**Wedding Dance Rescue!**

Your wedding day is nearing and you don't know how to dance. Not to worry! In this single two-hour lesson you and your fiancé will be taught everything you need to know to make your first dance much more interesting than shifting awkwardly from side to side. Learn an entrance onto the dance floor, easy steps and turns that fit with most songs, and an impressive dip to end your dance! Capture it on your camera to continue practicing up until the big day. Class is open to any special pairings. Please dress casual with comfortable clothes. You may bring the shoes you plan to wear at your event. To reach the instructor prior to your lesson to share your song or discuss your needs, visit ConstantineDance.com.

Paint Your Cabin

Escape to your favorite place with a paintbrush in hand! Join artist Kevin for a unique two-hour painting class where you'll create a custom landscape of your cabin, lake house, farm, or home. Before the class, simply submit a photo of your special retreat, and Kevin will personally sketch the image onto a canvas board, ensuring you're ready to start painting right away. No experience necessary! In this hands-on session, Kevin will guide you step-by-step through mixing colors and painting techniques to bring your scene to life. You'll leave with a one-of-a-kind piece of art that captures the essence of your favorite place. All supplies included. Please send a photo of your cabin or lakehouse to Tara St. Martin at tara.st.martin@orono.k12.mn.us at least one week prior to class.

Summer Book Club: Feel Something, Make Something

Let it out! Your marks serve as evidence that you were here, alive and in the world. Feel something, make something. We will be working with the book by the same title "Feel Something, Make Something: A guide to collaborating with your emotions" by Caitlin Metz. Throughout the sessions we will learn a playful hodge-podge of tools to excavate feelings and make something out of those feelings such as body and mind maps, zines, altered books, self portraiture and daily documentation. We will learn that whenever you feel something, pause to make something, anything! You will thank yourself later.

Pickleball Skills & Drills - Beginner

Learn all about equipment, court, scoring, and rules of pickleball. Pickleball is a combination of ping-pong, badminton, and tennis, yet is much easier to learn. This class is based on practicing the essential elements of the game such as: serve, return, forehand and backhand, dink shot, and the importance of court positioning and shot selection.

Pickleball Advanced Play

If you're looking for a higher level of pickleball competition, this class is for you! There will be minimal drills in this program with some focus on the 3rd shot drop and the advantages of stacking. The majority of the time will be used for competitive play. An instructor will be present for court rotations, filling in for match play, answering questions, and providing helpful hints upon request. This group is more competitive, but still fun! This program will accommodate skill ratings of 4.0 and higher. Please visit USA Pickleball to best match a skill rating to your level of play. Please register online to reserve a spot for each month. You may register for multiple months at one time. Drop ins may be available if the space allows. Drop in rate is \$10/night. *Orono Activities Center membership discounts do not apply for this program.

Class locations Information

Classroom locations not listed with class descriptions will be included on the class reminder you receive via email a couple of days before the first day of class.

Payment Plans

A payment plan of three installments is available to all who register by credit card. First payment is due at the time of registration, second is due June 15, and the final payment is due July 15. Call the Community Education Office at 952-449-8350 if you would like to request other payment arrangements.

Financial Assistance

Scholarships are available to qualified families for summer programs. Educational Benefits guidelines and individual circumstances are used to determine eligibility. Download an application from our website: ce.oronoschools.org, and select "Registration Information" under "About Us" or call at 952-449-8354.

Refund Policy

If you need to drop a class, please notify us at 952-449-8350 as soon as you know. Up to 3 business days prior to the class, a refund minus a \$10 cancellation fee will be issued. After that time, no refunds will be issued. Partial refunds will be considered if injury or serious illness occurs. Some programs have a more specific refund policy. If Community Education needs to cancel a class, we will contact you and process a full refund.

Tax Deductions for Educational Expenses

Many programs in this brochure may qualify as educational expenses for tax deductions. To print receipts for our programs, log in to your Community Education Eleyo account and then select "Your History" under your account at the bottom of screen. You can view your registrations by year and print any receipts you need. For more information contact your personal tax preparer or visit revenue.state.mn.us.

Ayuda en Español

Por favor, envíe por correo electrónico su pregunta y número de teléfono a: CEinfo@orono.k12.mn.us y alguien de nuestra oficina que habla español le devolverá la llamada o enviará un correo electrónico para responder a las preguntas sobre los programas en este folleto o ayudarlo a registrarse.

Scholarship Donations

If you would like to make a donation toward a scholarship for a child in need, email ceinfo@orono.k12.mn.us.

Senior Discount

A senior discount of 10% off is available for adults 62+. The discount will be automatically applied to your cart during online registration. To ensure you receive the discount, be sure to add your date of birth to your account in our registration system.
