Program Spotlight

The Orono Partnership for Youth

The Orono Partnership for Youth (OPY) coalition is a new alliance whose mission is to collaborate with Orono families to support the well-being of youth. The primary goal is to prevent and reduce youth substance use while promoting healthy development and connectedness. The coalition is truly a collaborative effort, with members representing community organizations and entities with a breadth of experience and perspectives to support Orono youth and families.

The federal Drug-Free Communities grant is supporting these efforts, allowing the coalition to hire two new staff members, both proud graduates of Orono Schools. Ali Chorley is serving as the Director and Gina Byers is the Project Coordinator. OPY coalition meetings will be held monthly during the school year and are open to all!

For more information, contact Ali at
alison.chorley@orono.k12.mn.us.

Community Education Advisory Council

The core of Community Education is the Advisory Council. Members of the community serve on this advisory board to give direction to all of the programs offered by Orono Community Education. The council meets four to five times per year. If you are interested in joining this group, contact Community Education Director, Tiffany Clifton at tiffany.clifton@orono.k12.mn.us for more information. This group advises Community Education on its services and programs including: Youth and Adult Enrichment, Adult Basic Education, Early Learning Programs, Recreation and Athletics, School Age Child Care, Aquatics and more!

Instant Guitar for Hopelessly Busy People

Virtual Class

Have you ever wanted to learn the guitar but simply find it difficult to find the time? In just a few hours, you can learn enough about playing the guitar to give you years of musical enjoyment, and you won't have to take private lessons to do it. This course will teach basic chords and get you playing along with your favorite songs right away. Since this class is being held online with ZOOM, you will be able to sit at home with your guitar and take this class without any pressure at all. The class includes an online book, online follow-up video lessons and a recording of the class so you will be able to continue your practice and study on your own. An optional online question and answer session is also included. Topics include: how chords work in a song, how to form the three main types of chords, how to tune your guitar, basic strumming patterns, how to buy a good guitar (things to avoid) and how to play along with simple tunes. Participants ages 13-17 must have an adult guardian present during the virtual lesson.

Spring Charcuterie Board

Whether you're celebrating Mother's Day, preparing for your next baby or bridal shower, or simply looking for a fun night out, come create a beautifully crafted, spring themed charcuterie board.

In this class, Laura, from Fig and Ivy Charcuterie will provide, step-by-step guidance in the arrangement of fine cheeses, fruits, meats and additional accompaniments. Have fun with family and friends during class at a local venue, the Iron Exchange in Maple Plain. Due to table space, food is available for purchase before or after class. However, beverages are available at anytime. A link to pay the ingredients fee of \$45 will be sent one week prior to class. Bring home a new experience, a helpful grocery list for future boards PLUS an artfully arranged 10" round charcuterie board (serves 5-6 people) to enjoy right away!

Spring Roll Symphony! Crafting Crispy & Fresh Spring Roll Delights

Virtual Class

No need to look beyond your own kitchen for restaurant quality spring rolls! Join Tess as she walks you through the process of creating two types of spring rolls bursting with a symphony of flavors bold and bright enough to wake up any and all taste buds. Your choice of meat (chicken or pork) and veggies will fill the crispy spring rolls and fresh veggies and precooked protein of choice will fill the fresh spring rolls. Participants will be able to customize filling ingredients and seasonings according to their taste or dietary preferences. We will learn the technique to create fillings, and how to wrap, roll and cook these delightful packets of bright deliciousness! Participants will receive a list of ingredients in advance of the class with enough time for shopping and preparation. This class will take place on ZOOM and participants will receive instructions on how to access the class prior to it starting. One registration fee includes immediate family members living in the same home. Adult supervision is required for children participating.

Wholesome Hoagies: Mastering Chicken Parmesan on Freshly Baked Rolls

Virtual Class

Few things bring more joy than the smell of freshly made bread. This class is sure to provide this experience as you learn to create your own wholesome hoagie ("Hero") Rolls from scratch. Experience the soft and chewy interior and the slightly crunchy exterior for yourselves. You will also create a wonderfully seasoned chicken parmesan with a breaded exterior that stays in place and maintains its crispiness while keeping the chicken juicy and delicious. No deep frying involved! Participants will receive a list of ingredients in advance of the class with enough time for shopping and preparation. This class will take place on ZOOM and participants will receive instructions on how to access the class prior to it starting. One registration fee can include immediate family members living in the same home. Adult supervision is required for children participating.

CPR, First Aid & AED

This blended learning (online learning and in-person skills) session will help participants recognize and respond appropriately to cardiac, breathing and first aid emergencies. Successful participants will receive a 2-year Red Cross certificate for Adult and Pediatric (infant and child) CPR, First Aid and AED. Register at least 10 days prior to the in-person skills date, as adequate time is needed to complete the online learning portion PRIOR to testing for the skills. This will allow you the time to complete lessons at your own pace. You will need to provide the instructor with proof of online completion in order to take part in the skills testing. Online learning details will be sent via email. A personal email address is required to receive class content.

Seizure Smart Training Virtual

Seizures can be unpredictable and seldom happen in convenient locations. A person who experiences a seizure in a park, at school, on an airplane, or any number of places may need to rely on the people around them to recognize what's happening and help keep them safe until the seizure passes. Seizure Smart Training is an opportunity to learn about epilepsy and seizures right in your own community. Epilepsy Foundation of Minnesota general hour-long Seizure Training is a resource that helps participants identify seizures, learn seizure first aid and overcome the myths surrounding epilepsy.

Stay Connected with Your Spartan's School Journey!

School has evolved since our own days at the desk. Remember waiting for paper notes or printed report cards? Those times have changed. Now, information is easily accessible to us. This includes updates from teachers, district announcements, as well as daily assignments and critical notifications. While this wealth of knowledge is valuable, it can also become overwhelming.

- **Understand Modern School Communication:** Dive deep into the various platforms and methods schools use to communicate today.
- **Tailored Guidance:** Learn how to filter and access the most relevant information for your child's success.
- **Timely Updates:** Ensure you always receive the right information at the right moment.

We're here to help parents and guardians navigate this digital age of education. Be in the know, and ensure your child's academic success.

Decoding the Digital Elephant: AI's Role in Our Children's World

As parents, we've witnessed the digital revolution from the sidelines, and now, Artificial Intelligence (AI) is entering the stage, impacting our children's lives in ways we're still exploring. It's not just about the tech-savvy future; it's about today.

Join our collaborative session on AI in Education!

- **AI for Parents:** Understand AI and Machine Learning in simple terms, stripping away the jargon and focusing on what it means for our children.
- **Together in the Tech Journey:** This is new for many of us, and we're in this learning curve together. Discover how students are already engaging with AI tools like large language models and image generators.
- **Guiding Ethical Tech Use:** As our children navigate this AI-powered world, learn how we can support their ethical and informed interactions with technology.

Let's embark on this journey of understanding and adaptation, ensuring we're well-equipped to guide our children in the evolving digital landscape.

Swimming Lesson Pre-Assessment

- If you are a new family to Orono Community Education's swimming lessons, we encourage you to schedule a free swimming pre-assessment to determine the best level for your swimmer. Pre-assessments take place at the Orono pool. Instructors will guide your swimmer through a set of skills in a 15-minute period.
- Pre-assessments for Summer 2024 lessons will take place in Early May
- Email Tara St. Martin to receive scheduling info at tara.st.martin@oronok12.mn.us.
- **Note:** Attending a pre-assessment does not guarantee a spot in lessons. Spots fill quickly.

Middle School Clubs

New Middle School Club offerings will be added this winter and spring. Watch for a PeachJar flyer with more information.

Driver's Education

This class fulfills the 30 hours of classroom driver's training required by the State of Minnesota. Class will be taught in-person. After completing this course, students must sign up with a commercial driving school and receive a blue card, which they will need before taking their permit test. After passing the permit test, they must take 6 hours of behind the wheel instruction at a cost of approximately \$398. Missed classes must be made up in another session. For more information on Driver's Education and Westonka Driving School, email Rob Illies at westonkadriving@gmail.com, call 952-955-1486 (work), text 952-237-5971 (cell), or go to westonkadrivingschool.com. Boys Tennis

Grades 6 - 8

Tennis team practices will include work on stroke development (forehand, backhand, serve/return and volley), footwork and match strategies. Time will also be spent on identifying strengths/weaknesses for both ourselves and our opponents all while learning when to be aggressive/defensive and what shots to hit accordingly. Competitions will be against other schools in the Metro area.

Start Date: April 2 (*weather permitting*)

Practice Times: 3 - 5 PM

Schedule: Monday - Thursday, April - mid May

Fee: \$260

Required Equipment: Tennis shoes, tennis racket, water bottle, appropriate clothes for weather each day.

Orono Trap Team

Grades 9 - 12

Orono Schools is the birthplace of the Minnesota State High School Clay Target League. The program was developed by Orono Schools mentor, Jim Sable, and became a competition team in 2008. Since then, the sport has experienced huge growth across the nation. Participants will learn the fundamentals of trap shooting through weekly practices. Scores are submitted to the league throughout the season. There will be an end of season picnic and fun shoot. The state competition is in June.

Online registration will open February 1st at 8 AM and is limited to Orono School District residents and students open enrolled at Orono Schools.

Due to the popularity of this program, there are very few spots available. Expect registration to fill quickly.

8th Grade students interested in participating will be added to a waitlist and invited to join the team if space allows.

Email kim.king@orono.k12.mn.us to be added to the waitlist.

Navigating Accommodations & Accessibility Services in College

Students with learning differences and disabilities have unique strengths and challenges. This presentation will help parents understand students' rights and responsibilities in college, types of support available at college, how to secure accommodations and services, and the skills students need to make their transition to college easier! You will also learn whether and how to disclose a learning difference or disability in the application process and how to learn more about accessibility and student success services during a campus visit.

Navigating the College Application Process

Applying to college can be one of the most complex projects a teen undertakes: multiple application platforms; different tasks, requirements and deadlines; and a lot of details to manage. This presentation will give juniors and their families an overview of the nuts and bolts of applying to college today and practical guidance on how to support your teen. Attendees will leave with tips on the application process and a suggested timeline to reduce stress in the fall. There will be ample time for questions.

Olympic Fencing

Fencing is a vigorous sport that requires and develops stamina, quick reactions, speed, accuracy of movement and excellent coordination. It utilizes natural body movements to create simple and effective self-protection techniques with the sword.

Attacking, defense, timing and intense tactics are all integrated into this beginning class. Whether you are fencing for a good workout or gaining points for the Olympics, fencing is fun for the whole family. The final day of class includes a competitive tournament between all participants of all ages. A prize will be awarded to the winner of the tournament. We provide everything needed to fence (mask, jacket, glove and weapon). Come dressed comfortably including long sweat pants and athletic shoes.

WHAT YOU SHOULD KNOW BEFORE YOUR SKATING LESSONS!

- Helmets are **REQUIRED** for Snowplow Sam skaters and highly recommended for all other skaters.
- Wear either leather hockey or figure skates, but please no double-bladed skates.
- Parents are not allowed on the ice without skates.
- Additional lesson information will be sent out via email.

We are proud to provide the **Learn to Skate USA** curriculum for our classes. We teach fundamentals of ice skating while building confidence and skills through each lesson. The progressive curriculum ensures success from the first steps on the ice to the mastery of advanced skills.

Private Music Lessons

Private 30-minute lessons available for all ages and ability levels. Our highly-qualified instructors create lessons to fit each student's abilities and interests. Registration guarantees the same lesson time for the entire school year, and you will be billed monthly.

A Discovery School of Music Private Music Lesson Handbook and lesson schedule will be sent via email after registration.

Register for Private Music Lessons

Instructor lesson openings are listed online at oronocommunityed.com so you can request a specific time. If a time is already taken, that section will be listed as full. You can read biographies on each instructor to find the one with a specialty and a schedule that is right for you. If you are unsure of which instructor to pick or cannot find a time online that works, please email CEinfo@orono.k12.mn.us and you will be contacted to discuss your needs. Depending on instructor availability, lessons can begin at anytime during the school year.

Kindergarten - Adult

Annual Registration Fee: \$15

**Tuition Fee: \$29 per 30-minute lesson
(Billed monthly)**

The number of lessons will vary each month depending on the day of the week you have lessons. Lessons take place at the Discovery Center in Maple Plain. Room locations will be emailed to those registered. Please refer to the handbook for more information.

2023-24 Lesson Dates: September 11 - May 3

Lessons will follow the school district calendar and will not be held during school breaks/holidays.

Our Mission

Children learn best through *play, discovery and exploration.*

That is the basis of our philosophy and work at Orono Early Learning. Our staff are deeply immersed in ensuring that all children in our programs feel safe and confident and are engaged in developmentally-appropriate activities that promote social, emotional and academic growth. In recognizing that family is a child's first teacher, we place high priority on family support and engagement.

Licensed Early Childhood Teachers develop a play-based environment for children to learn and grow! Preschool teachers partner directly with families through ongoing communication and conferences held twice a year.

Preschool teachers implement the **Classroom Engagement Model (CEM)** framework in their classrooms. The model promotes full participation of every child in the classroom. Orono Early Learning is on the final year of a five-year program-wide implementation plan. Teachers are trained and coached on how to implement CEM in their classroom practices and to increase family engagement.

Early Childhood Screening

A free check of how your child is growing, developing and learning

Early Childhood Screening is a free opportunity to connect you and your family with district and community resources, if needed, to support your child and prepare school, parents and community for successful learners. This free screening is required by the State of Minnesota before entry into Kindergarten.

What happens during an Early Childhood Screening appointment?

A trained professional will check: vision & hearing; large & small muscles; height & weight; health & immunization; social & emotional development; thinking, language & communication skills.

When do you schedule your Early Childhood screening appointment?

Ideally, children participate in screening between the ages of 3 ½ and 4. Earlier is better!

Appointments last approximately 1 hour.

Contact us to set up your child's screening appointment. Call **952-746-5815** or email ecscreening@orono.k12.mn.us
